DONATIONS TO TRUST IS TAX EXEMPT UNDER SEC. 80 G (5) OF I.T. ACT 1961

More information about current year's activities are available in this report.

Without taking more space in this report, I would like to thank for support of all Donors, Hospital Doctors and their team and Volunteers. Their active participation has brought us here.

Finally, as all our trustees says, we will live longer and will have many more years and will serve many needy people.

With Best Wishes,

Rajesh K. Ahuja,
(President)

Annual Report - 2018-2019

Philanthropy is the practice of helping the poor and those in need, especially by giving them money. And that is the mission and goal of Hari Om Seva Trust.

Entering its 18th year and working towards its goal, it has grown from helping patients to its present number of 39468 patients. The need for medical help is growing as drugs, equipment, diagnostic tests and operations are getting costlier while sickness, poverty and lack of familial help is growing by leaps and bounds. It is the purpose of Hari Om Trust to act as an intermediary to solve the issues faced by the poor, sick and helpless patients who are coming to the Govt. hospitals. It is the constant enthusiasm of our trustees, dedicated volunteers and benevolent donors that is making this 'God's work' happen giving immense satisfaction to all that are part of the happening. Many new volunteers and donors are joining the work to give selfless service in person or kind. Our trustees are ever ready for helping those who are coming from far of states like Rajasthan, Madhyapradesh, Uttar Pradesh, etc as well as homeplace Gujarat as the word is spreading about our work.

AT SSGH HOSPITAL

The trust operates from its designated office opposite OPD no 21 from 10.30- 12.30, Monday to Saturday. However due to the heavy rush of needy patients around, our trustees are serving overtime many time till 1-1.30pm too. During this time, patients who are directed by the doctor come for their various medical needs such as medicines, laboratory tests, MRI, CT

Scans, implants and costly operative needs. After ascertaining their financial capabilities, funds are sanctioned towards their needs. Another group of volunteers work from the junction of all OPDs, helping the patients towards their numerous queries of location and other needs like procuring a stretcher or wheelchair, etc.

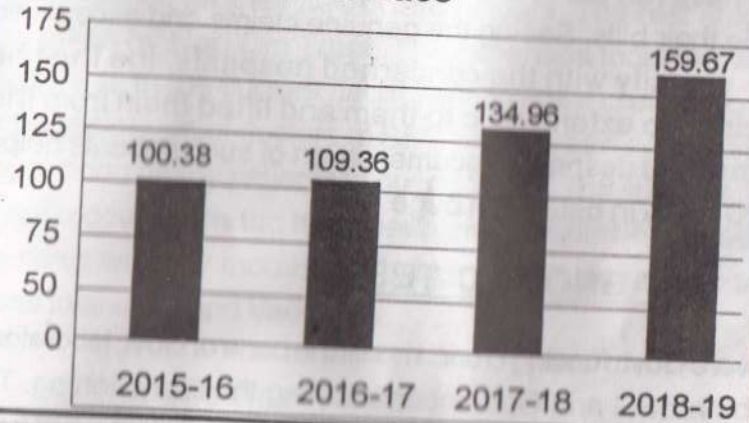

AT GOTRI HOSPITAL

Similar office space has been allotted at the Gotri Hospital in the Main Building, First floor near the Paediatric ward. Dedicated volunteers here help the patients by sanctioning their medical needs and answering their queries regarding related wards in the hospital.

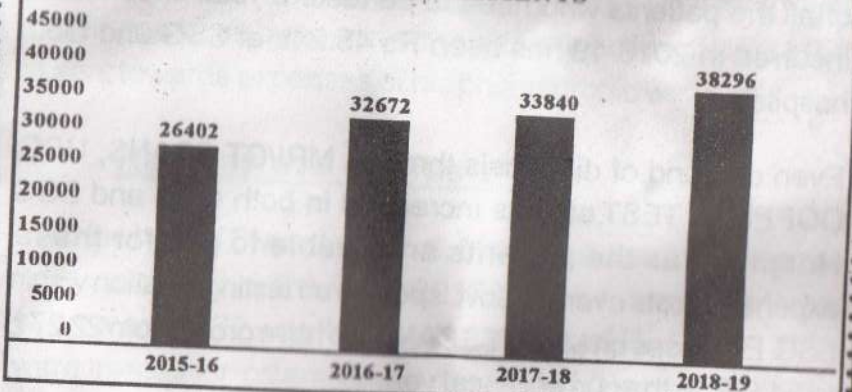

Trustees are available 24 hours for any such emergency needs arising at different hours and sanctions are even given on phone to the doctors. Each trustee manages his personal expenses of travel and communication without any expense to the trust. Hence all the donations are used only towards the benefit of the poor and sick people and minimal administrative charges are incurred by the trust.

Total number of patients seen in 2018-19 in both SSG and Gotri hospital and other activities of trust were 39,468 and the expenses incurred were Rs 159.67 Lakh.

HOSPITAL PATIENTS

ACTIVITIES DONE IN 2018-19

HELP EXTENDED TO PATIENTS FROM PRIVATE HOSPITALS

We have introduced a new avenue of helping sick and needy patients outside of the above govt hospitals. Now, needy

patients who have taken costly treatments in private hospitals and have run out of their money have come to us for help to settle their bills. Seeing the genuine claims and ascertaining the veracity with the concerned hospitals, the trust has decided to extend help to them and lifted them from their misery and despair. (Documentation of such patients helped in 2018-19 in details on page -15)

◆ DIAGNOSTIC TESTS

Severe Govt. funding crunch is still the bane of Govt. laboratories in both SSG and Gotri incapacitating their functioning. This has put a heavy load on Hari Om trust for sanctioning of funds of all the patients who need to be tested. Total expenditure incurred in 2018-19 has been Rs 45.24L at SSG and Gotri hospitals.

Even demand of diagnosis through MRI/CT SCANS, USG, DOPPLER TEST, etc has increased in both Gotri and SSG Hospitals as the patients are unable to pay for these expensive tests even at Govt. sponsored testing location within SSG. Expenses on MRI/CT SCANS too have grown from 22.27 L to 34.04L in the current fiscal year

◆ Knee and Hip Replacement Operations:

In our ongoing project of free/subsidized knee and hip replacements, this year we had undertaken 93 hip/knee operations, out of which 77 were hip replacements, 12 knee

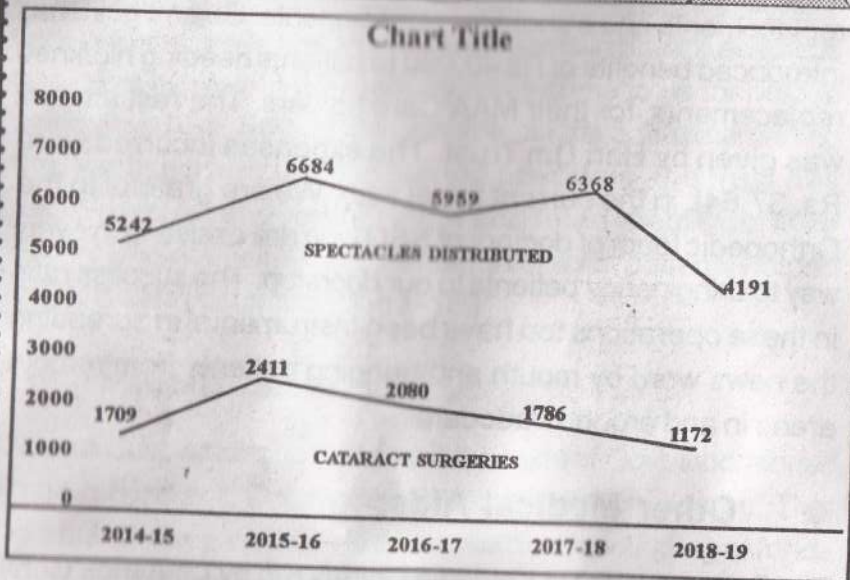

replacements and 4 shoulder replacements. Gujarat govt. has introduced benefits of Rs 40,000 to patients needing hip/knee replacements, for their MAA Card holders. The rest amount was given by Hari Om Trust. The expenses incurred were Rs. 37.64L in the current fiscal year. We are grateful to the Orthopedic team of doctors of SSG who are assisting in every way to bring needy patients to our doorstep. The success ratio in these operations too have been instrumental in spreading the news word by mouth and bringing patients from remote areas in and around Vadodara. .

◆ Other Medical Aids:

The Diabetic clinic at Kewadia Colony run by Dr. Ashok Gohil is still sponsored by us and a regular contribution of Rs. 33,000 is sent towards expenses of his philanthropic work.

◆ Regular eye camps :

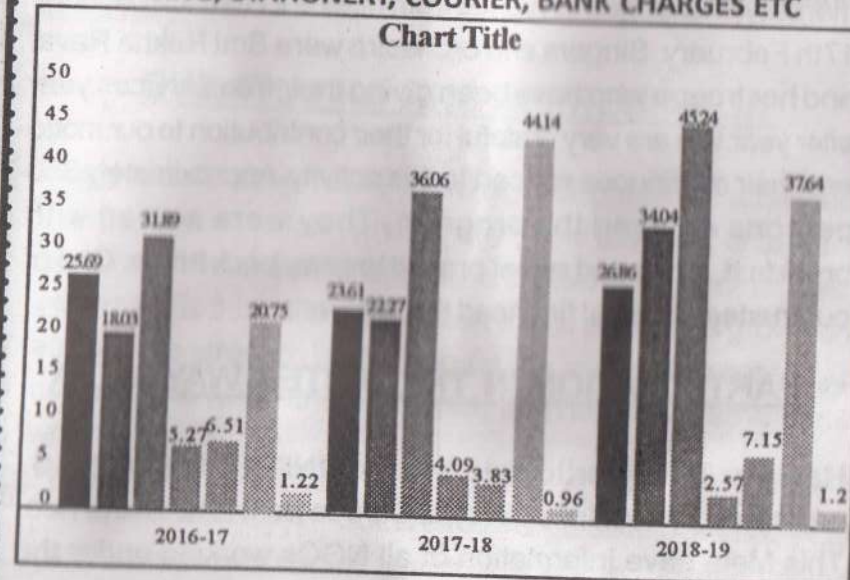

With the help of Divya Jyoti Trust, Mandvi tal. Surat , eye camps were conducted in the year 2018-19. Number of patients seen were 1172 with the total expense of Rs 2.57 L. They were treated for cataracts and eye related illnesses. 61 camps were conducted during the fiscal year and 4191 spectacles were distributed.

Educational help

2018-19, the trust has increased its educational activities and helped 191 students at an expense of Rs.7.15L. This activity is done with Mahavir International Trust who does all the background checks and interviews are conducted at their office in Sayajigunj. The quality of impoverished students coming for scholarships is very bright and such students need adequate financial support and encouragements to work on their ambitions. The trust is happy to give this support and help.

- MEDICINE
- RADIOLOGY
- LABORATORY
- EYE CAMP
- EDUCATION & WELFARE
- KNEE/HIP REPLACEMENT
- PRINTING, STATIONERY, COURIER, BANK CHARGES ETC

Support of daily use Equipment

Need for Airbeds, Nebulizers and Suction machines has grown over the years and those were supplied by the trust on a token deposit. This was returned when the equipment was given back. However it was found that many patients needed them to be taken home for long use so that too was sanctioned. 38 Airbeds, 12 Nebulizers and 18 Suction pumps were given to needy patients in this fiscal year. Deposits too were waived for the very poor patients..

◆ Musical evening for the Divyangs(Handicapped)

The trust had organized musical evening for the physically / mentally challenged Divyangs from different NGOs on Sunday 17th February. Singers and orchestra were Smt Rekha Raval and her troupe who have been giving their free services year after year. We are very grateful for their contribution to our motto and their continuous support to this activity. Approximately 350 persons enjoyed the program. They were served with breakfast, lunch and sweet prasad to carry back home. One of our trustee as usual financed the program.

◆ PARTICIPATION IN THE UNITED WAY MELA

Hari Om Trust participated in the UNITED MELA 2019 organized by the United Way of Baroda from 22nd-24th of Feb. This Mela gave information of all NGOs working under the umbrella of United Way of Vadodara and are supported by them through donations.

◆ AWARD RECEIVED

Saptak Group headed by Smt Tarvinder Arora felicitated dignitaries from Baroda over their achievements in various field. Mr Babani was awarded the Achievement Award from their organization for exemplary work in social services.

◆ DONATION GIVEN

Heavy floods had devastated the state of Kerala in 2018. The

trust donated Rs 25000 to Shankara Charitable trust, Kolathur which had undertook rehabilitation of those displaced by building and or repairing damaged homes besides providing other help.

◆ OUR THANKS AND APPRECIATION

The goodwill of this noble work has brought forth benevolent donors who have faith in us. They know that their charitable gesture will be utilized effectively and reach the genuine needy patients. It is this constant support that is helping us grow from strength to strength and giving us the encouragement to do our work with zeal and assurance that help will always come when in need.

Our Chairman Shri H P LULLA was our guide and mentor. With his blessings and encouragement, the trust has been doing exemplary work. However, even after his sad demise on 15.7.18, he had made provision in his will to form a Trust Hargovind Parsaram Foundation and donate generously towards health, education and feeding the poor. He had specifically mentioned Hari Om Trust as one of the beneficiary and continue to contribute to a cause close to his heart. Honouring his wishes his nephew Shri Jairaj donated Rs 5 Lakhs toward Hari Om Trust and has assured us of continuous support for the coming years.

MR RAJESH AHUJA (KOSHAMBH MULTITRED PVT LTD.), President Hari Om Trust has donated Rs 10 L this year. We

wish to extend our heartfelt thanks, specially to Mr Ahuja , who has always been standing at our side for all our projects. This year he has also sponsored the music program for the handicaps with food for 350 participants. His contribution and active interest in the trust work is a big support and instrumental in providing greater relief to the patients.

Shri KAMALESH CHAINANI (USA) has sent also Rs. 13,33311 (\$20,000) like last year. We are eternally thankful to him for his regular contribution and interest in our work. And we hope that he will personally visit us to see our work some day.

We are indebted to SHARE AND CARE FOUNDATION, USA which helps us to receive the money collected from the donations in the US. They are attached to our cause since many years and supports us in every way to help the sick and poor in our country. This year they have remitted Rs. 26,47,375 (\$ 36991) Their active participation is well appreciated and we thank them for the same.

UNITED WAY OF BARODA supported us with a donation of Rs. 10 L towards medical expenses. Their continued support helps us in achieving our targets to meet all expenses of the sick patients. We further hope that they will make additional contribution towards the growing medical expenses.

M/S PANASONIC ENERGY INDIA CO LTD has donated Rs. 10,00,000, through their company CSR project scheme. We are grateful for their support and hope to receive their contribution in all the coming years.

M/S SUD CHEMIE has donated Rs. 10,00,000 through their CSR project. Our work was brought to their notice through a well-wisher and they sent us the donation. We are grateful for their participation in our noble cause and hope to retain their goodwill and enhanced contributions for all the coming years M/S MADHU CHAMPAKLAL CH. TRUST has donated Rs 5,00,000 this year. We are grateful for this contribution and hope to fulfill their faith by working harder and stronger.

Other notable donors are M/S FEDERATION SAMAJ KALYAN TRUST, PARAMOUNT CHARITABLE TRUST AND MRS TINUBEN CHAWLA (TRUSTEE). Thank you very much for your faith in our work and monetary help.

Our grateful thanks to PARAMOUNT CHARITABLE TRUST which continues to give us subsidized rates on their MRI , CT Scan and other diagnostic test so that poor patients can avail of this facility.

Our special thanks to DR MIHIR ACHARYA, Neurophysician, who is providing subsidized services to the patients of SSG and Gotri at NCV,VEP,EMG,EEG etc(all neurological diagnostic tests) for the poor patients and has even waived his fees in very poor cases. This facility is yet not available at SSG or Gotri hospitals. We remain ever obliged for his dedicated services towards the patients and his selfless attachment to our cause.

As Donors are our backbone, our dedicated volunteers are our hands and feet without which we would not have been able to work towards our goal. Their enthusiasm and positive attitude

helps the poor in their despair and keeps the motto of the trust alive. Hari Om Trust, would not have been able to achieve anything without their support. We thank them in humility and gratefulness. Our Trustees, who look into the administration of this noble work are all single-minded in their purpose to help the sick and poor and see that the trust grows from strength to strength.

We look forward to keep our motivation alive with your continued support and help. Let no sick, impoverished patient go back without treatment and care. Let us make this world a better place to live together.

The goodwill of this noble work has brought forth benevolent donors who have faith in us. They know that their charitable gesture will be utilized effectively and reach the genuine needy patients. It is this constant support that is helping us grow from strength to strength and giving us the encouragement to do our work with zeal and assurance that help will always come when in need.

We wish to express our gratitude to all known, unknown and Gupt(anonymous) donors who are continuing their support and philanthropical inputs by donating generously and giving us the motivation to continue this noble work.

Details of Patient of private Hospitals and received our help

1. Vipranath Dayashankar Pandey

This patient had gone through kidney transplant at Kidney Hospital (KDRC) at Ahmedabad. He was selling fruits in a lari (cart) for his living. For his kidney transplant he had a saving of Rs. 95,000 only. He had managed to borrow Rs. 2 lakhs from different sources. Further he had received Rs. 1.5 L from the Prime Ministers Fund. He approached the trust for help and brought all the bills of his treatment. After due veracity, the trust sanctioned a cheque of Rs. 25,000 on 25-7-2018 for his dues and helped him in his treatments.

2. Madanlal Narayani

Madanlal had fallen from the first floor of his home and was taken to Shukan Hospital for treatment. He belonged to a very poor family. His bill from the hospital came to Rs. 2,92,418. The family ran from pillar to post to organize the due amount until they were directed to our trust through a wellwisher. The trust sanctioned Rs. 25,000 in the name of the hospital and even requested the hospital authorities to give maximum discount on the bill. Our request letter was accepted and they waived Rs. 70,000 as a gesture of goodwill. Subsequently, the patient also got an MRI done through us for which no amount was charged.

3. Harish Chandresh Chunara

Master Harish, 7 years old, suffered from Gullian Barre

Syndrome. He was admitted to a Children Hospital, Akota, Vadodara for treatment. The whole treatment costed him Rs. 1,75,000. The parents deposited Rs. 35,000 from their savings and took a loan of Rs. 25,000 at 5% monthly interest. The family approached the trust and seeing the genuine needs of the destitute family, a cheque of Rs. 25,000 was given to the hospital. Further, the moneylender too was approached to show leniency over the interest charged and a request to lower down the rates.

4. **Ketur Rohitkumar**

Ketur, 37 years old, had serious liver problems since a long time. He was admitted to Gotri Hospital where he was advised to go for a liver transplant. This operation is done at Civil Hospital, Ahmedabad and he got himself operated there. The cost of the operations was Rs. 13 Lakhs. Fortunately, the patient has a MAACard so he received Rs. 4.76 L from the Govt. of Gujarat. Since the patient belonged to a low income group, the hospital gave him 50% concessions on medicine which had to be taken for a very long time. Since the patient was known to the trust, it was agreed to give him monetary help for the rest of 50% towards his long term medications.

5. **Anand Nimavat**

This patient was from Jamnagar and had come to Vadodara to play a football match. In the match, he sustained a Ligament Injury (AGL). He was admitted to SSG where he

needed an operation but SSG did not have a specialized doctor to do this kind of operation. Dr. Mathur requested Dr. Manoj Mehta, Vadodara to do this surgery on him. Charges towards the surgery were reduced from Rs. 1.25 L to Rs. 80,000 by the doctor but the patient could only pay Rs. 35,000. On request of Dr. Mathur, the trust paid rest of the amount of Rs. 45,000 and helped the patient on to recovery.

6. **Ashish A. Chauhan**

Ashish had a spinal injury about 5-6 years back where his spinal cord was damaged. He was admitted to Narhari Hospital for treatment. During that time, his hut near Mataji's Mandir, Pavagadh was demolished by the Govt. authorities. Narhari trust was sympathetic to his problems and allowed him to stay in a small room over their canteen to recover and take physiotherapy and other treatment. There was a gradual improvement in his paralysis. Hari Om Seva trust was approached for further help. Mr. Babani and 2 SSG doctors visited him there to see his situation and sanctioned money towards his medications for more than 15 times. Recently, Narhari hospital demanded charges for the room or asked him to vacate it. Again, Hari Om Seva Trust gave him a cheque of Rs. 20,000 and helped him to stay there to complete his treatment.

7. Another patient who was admitted to Navrang hospital was helped with a cheque of Rs. 10,000 towards his treatment there.

.....

In all religion " DAAN " is supposed to be the highest form of service to human kind. At Hari Om Trust, we are blessed with donors who have been pouring their support for this cause and being part of our service to humanity. We are thankful to all our doners and well wishers for their belief and their continous monetary support. We hope that they will always continue to participate in all future activities.
