Dear Donors, Volunteers and Trustees,

With all your support and courage, we are able to fulfil our commitments to society. In this difficult situation we could very well serve people who ever come to us and whenever, where ever we could reach out them.

With grief note, we lost our one of oldest trustee, **Shri Natvarbhai Patel** due to age. We will miss him on every occasion.

Due to Pandemic situation, we could not reach out few of activities but with our online availability at SSG hospital and GMER hospital we could serve patients. Our volunteers played great role to keep it active and I personally thank them. I would like to specially thank to Shri Babaniji who has continued his services from his home since pandemic started in Feb 2020 and its still going on.

I am pleased to welcome our new trustee Shri Prakashbhai Patankar. He is quite active in all the areas say it serving patients or admin requirements. With his wide contacts we are continuously improving our services.

In this pandemic situation many families lost their loved ones, lost their jobs and many more difficulties, we at Hari Om Seva Trust tried our best to serve in contribution towards education fees for students. Further we worked towards providing meals/snacks to children as government could not provide midday meal.

We understood that many of patients taken to Private hospitals as they do not know facilities available with Gov. hospitals or their pre assumption they go to private hospital despite of their economical week conditions.

We would like to invite them to visit us with prior appointment to serve them better.

To keep updated our well-wishers and donors, we are going to reactivate our website and start different social media pages.

I would like to specially thank Shri Kamlesh Chainani from USA, who is always supporting Hari Om Seva Trust with his charity.

Thank you, all the Donors and Trustees, for your valuable time and devotion.

Rajesh Ahuja

Annual Report - 2020-2021

The year 2020-21 will go down in history as the most difficult year all over the world as the Corona virus created havoc with sickness and death. India saw the worst "second wave" and recorded massive hospitalizations and deaths. Corona wards in **S.S.G and GMERS hospitals** overflowed with patients while there was a fall in O.P.D's of regular patients. As suggested by the doctors, the trust activities were stopped from 20th March 2020. However, Hari Om Seva trust rose to the occasion and formed an online- services platform for both the hospitals from 20th August 2020 at GMERS hospital and from 17th Sept 2020 at S.S.G hospital. It was operated from residence of our Managing Secretary **Mr J.G. Babani**. He was in constant touch with the doctors and assured them that Hari Om trust will support their need- based requirements and ensure that the patients do not suffer.

Paramount Diagnostic Centre arranged for two computers and one printer for us. They also provided two operators, one for each hospital to accept patient's prescription and to mail it to the setup at Mr J.G. Babani's residence. **Amin Laboratory** also gave one laptop and Mr Nitin Kale provided two persons, one each at both hospitals, to collect blood samples and have a dialogue with the patients to know their requirements. On receipt of the details of patient requirements, the approval was sanctioned and mailed back to the source. The sanctioned documents were printed out and filed for disbursement later to the chemists and the diagnostic centres. 2-3 volunteers sat at Mr J.G. Babani's residence to implement and observe the process. It was due to the dedication of all our volunteers and donors that work could be continued and help given to the needy and sick.

We are thankful to our trustee **Mr. Patankar** who played a lead role in getting the online platform functioning.

In the current fiscal year of 2020-21, there was a fall in the regular patients due to the Covid panic and only emergencies and acute cases came over to the hospitals. The total number of such patients at both hospitals that were helped was 6562. During the year, due to Government guidelines Cataract camps could not be conducted and considering flow of poor and needy patients only the most urgent surgeries were conducted everywhere.

ACTIVITIES DONE IN 2020-21

❖ **AT S.S.G. HOSPITAL**

▪ **PPE KITS**

Hari Om Trust procured 200 PPE Kits at the expense of Rs. 1,76,960 on an urgent basis for the staff as there was a gap between Govt supplies and need requirement.

▪ **VIDEO OTOSCOPE**

There was a request from the Medical Superintendent to provide One Video-Otoscope for the ENT Dept. This was needed to help in explaining the disease conditions and decide on the prognosis. The total cost of the equipment was Rs 96,760.

▪ **STAAN GLORY MULTIFUNCTIONAL FRACTURE TABLE**

The Orthopaedic Department needed an Operation Table for patients with max 200 kgs. of weight. The equipment came with multiple other accessories and functions (around 10) that would help manage the patients easily and be convenient to the surgeons as well. The total cost was Rs. 9,91,300 (Rupees Nine Lakhs Ninety-one thousand and three hundred).

The above two items were purchased to meet the needy requirements of the Govt hospital as procuring through proper channels of the Govt would have been time consuming and difficult.

▪ **DIGITAL MICROSCOPES**

Two Digital Microscopes, one each for S.S.G and GMERS Medical colleges, were purchased to be used for better anatomy studies, at the cost of Rs. 5,29,940 (Rupees Five Lakh Twenty-nine thousand nine hundred and forty).

▪ **ORTHOPEDIC OPERATIONS AT S.S.G**

Hip and Knee Operations at Govt hospitals were supported by the Gujarat Govt for those having the MAA Card. However due to Covid expenses all such support was suspended from them during this period. Hari Om Trust stepped in and helped **39** patients for **Hip replacements**, **13** patients for **Knee replacements** and **11** for **Trauma surgeries**. Help given was worth Rs 33,99,000 (Rupees Thirty-Three Lakh Ninety- nine thousands).

▪ **EQUIPMENT HELP AT S.S.G TO PATIENTS**

By taking token deposits, patients were given **24 Airbeds**, **2 Nebulizers** and **2 Suction** machines for their use. Whenever the equipment, were returned they were refunded back with the deposits taken. The token deposits too were waived for the extremely needy and impoverished.

OUR GRATEFUL THANKS AND APPRECIATION

We are very thankful to all our donors to have continued their support and help, in this pandemic year too, and motivating us to work in such dire circumstances. It was so heartening to see our donors donate freely inspite of economic shortfalls and lockdowns.

Our special thanks to our dedicated volunteers who rose to the spirit of social commitment and helped in whatever way they physically could at the time of need.

Our special thanks to **MR. KAMLESH CHAINANI** who continues to donate to us, year after year, and is our single high donor from the USA. He sent \$20,000 in this current fiscal year too and kept our spirit lifted.

Our gratitude to **SHARE AND CARE FOUNDATION, USA** for their help in collecting the donations from our donors in the US and then remitting the money to us. Their support benefits both the donors as well as our Trust.

M/S SUD CHEMIE INDIA PVT LTD. Donated RS 10,00,000 through the Govt. initiated CSR project scheme. We are grateful for their continued support and hope that they remain our committed donors.

Our President **SHRI RAJESH AHUJA** too has been totally involved in encouraging and expanding our work with changing times.

His contribution of Rs 5,51000 is deeply appreciated and further our goal for help to the sick and needy.

M/S UMMID A HOPE FOUNDATION, a charitable institute based in the USA too sent \$6770 for work in the field of education and woman empowerment. We are thankful for their interest and participation in the noble work.

Our gratitude to **PARAMOUNT DIAGNOSTIC CENTRE** and specially **MR SAMIR TULI** for their initiative in providing us manpower as well as laptops to start an online service in both hospitals. They continue to benefit the patients of both hospitals through their subsidised MRIs and CT Scans as well as other diagnostic lab tests.

We are thankful to **AMIN LAB** for their subsidized diagnostic tests and helping us in establishing an online help service at both hospitals.

We are thankful to **M/S GETCO, M/S HARGOVIND LULLA FOUNDATION, VOLTAMP TRANSFORMERS LTD, M/S MADHU CHAMPAKLA CH. We are grateful to **Dr BASARGE, Baroda Heart Hospital and DR MIHIR ACHARYA, Neurologist, VINS HOSPITAL** who continue to see our S.S.G and GMERS patients for various specialized diagnostic tests (not available at both hospitals) at a heavily subsidized rates.

Their philanthropic gesture is well appreciated by the trust and the patients who cannot afford the expensive tests; and we look forward to their continuous support to our activity.

HARI OM TRUST lost their very dedicated trustee **Mr. Natvarbhai C Patel** due to old age. He was attached to the trust for more than 15 years and was a committed donor. His presence and encouragement will be missed sorely. We pray for his soul and strength to his family to bear the sad loss. ॐ शान्ति

Please accept our sincere apologies for this late Annual Report. Due to Covid scenario and ongoing travels of Trustees, we could not get the Annual report approved early. We hope to get back in track for the coming year and will forsee that the Annual Report is sent well in time.
