**Dear Donors, Volunteers and Trustees,**

Dear Friends,

I am delighted to share the remarkable progress we have made in our journey to support and uplift our society. It is with great pride and heartfelt appreciation that I extend my thanks to each of you, especially our dedicated trustees. Despite being senior citizens, their unwavering commitment and full-time involvement in addressing societal needs have been nothing short of inspiring.

This year, we received generous contributions totalling approximately 179 lakhs from various donors. With this support, we have been able to distribute around 187 lakhs to address diverse needs, including medical assistance and educational support. Our efforts have positively impacted 41,349 patients and 556 students, and a detailed report outlining the specific help provided is available for review.

I would like to extend a special thanks to our Honourable Managing Trustee, Shri J.G. Babani, who has been at the helm of our trust for the past 24 years, even before its formal registration with government authorities. His leadership and dedication have been pivotal to our success.

I am also pleased to report that all our activities have been running smoothly, thanks to the collective efforts of everyone involved.

My gratitude extends to our partners, including path labs, radiology centres, medicine stores, implant suppliers, United Way of Baroda, and all our donors. Your invaluable contributions have been instrumental in making our work possible.

Thank you for your continued support and for being a part of this incredible journey. Together, we are making a significant difference.

Sincerely,

**Rajesh Ahuja**

**(President- Hari Om Seva Trust)**

**Smallest act of kindness is worth more  
than the grandest of intention.  
It's what you do matters and not what you  
say you would.**

## **ANNUAL REPORT 2023-24**

HARI OM SEVA TRUST, a trusted name in healthcare services has been doing their philanthropic activities since 2001. In the 23 years of helping the poor patients

in the two biggest Govt. hospitals of Vadodara - Sir Sayaji General Hospital and GMERS hospital, it has worked relentlessly and efficiently in providing for health and wellbeing of the sick. It is run entirely by a group of retired people who have decided to use their free time in helping the poor for their medical needs. Over the year volunteers and donors have joined in, impressed by the dedication and selflessness of the trustees and the work that has been done over the years. With time, each year, work has grown to encompass more patients and diverse healthcare needs.

The 2023-24 brought back life into near normalcy after the Covid outbreaks. Patients with their chronic issues, long Covid symptoms, infections and surgical interventions surged and both the hospitals saw increasing number of patients. With this influx, the footfalls seeking help from Hari Om Trust also increased at the trust offices as both hospitals started offline services. Total number of patients attended to at both S.S.G and Gotri Hospitals were 41,349.

**ACTIVITIES IN 2023-2024****1) ACTIVITIES AT S.S.G HOSPITAL**

S.S.G Hospital is one of the oldest and largest hospital at Vadodara. In the year 2023-24, Hari Om Trust has provided monetary and medical aids to 22,968 patients. Patients provided help in different categories:

Type of Help	No. of patients	Amount spent (in Lakhs)
Medicines	9950	35.92
Pathology Tests	12335	19.54
Orthopedic surgeries	59	20.34
MRI/CT Scans, USG	624	4.23

Cost of Medicines have skyrocketed and has become beyond the reach of the poor patients going to Govt Hospitals. Although these hospitals do provide medicines too; often they are in short supply or unavailable. The use of generic medicines by Doctors too has been helpful but yet many others are prescribed for good results.

Sayaji Hospital has a bigger influx of patients and often has to deal with unscheduled needs for medicines as also delay in receiving them. Hari Om Trust has attached with Sayaji Chemists, outside the premises of the hospital, to give maximum discount to the patients coming with the Hari Om form. The trust also subsidised the cost with monetary help.

Cancer drugs are subsidised and available through **Unity Chemists**.

Pathology tests with **Amin Labs & Path Labs** are available at highly subsidised rates as often the results are needed in emergency and not provided by the Hospital. Many diagnostic tests have to be done externally as these too are not done at the govt hospitals. As above figures show, 12335 patients needed some or the other pathology reports. Further the amount for the tests was reduced by Hari Om trust with the monetary help given to them as per the patients financial capacity.

Orthopaedic surgeries included Total Hip and Knee replacements, Shoulder Arthroplasty, Shoulder Arthroscopy, artificial bone grafts, soft tissues reconstructions and illizarov like reformative corrective surgeries etc. For all above surgeries, surgical implants, rods, loops, wires, etc were provided at lower costs by the trust. These surgeries particularly helped those poor patients who did not have an Ayushman card, BPL card or Senior Citizen card and were needing them urgently.

MRI, CT SCANS, USG, etc were directed to **Paramount Diagnostics and Tricolour hospital** and done on lower rates along with monetary help provided by the trust.

Hari Om Trust acted as a mediator in procuring UNICOM SYSTEM AND DRILL SYSTEM for the Orthopaedic dept. This was supplied by M/S Standard Pesticides Pvt Ltd. at a cost of 13.42 Lakhs. This machine can be used for various surgeries and can be shared by 4 Departments at S.S.G. for its use.

## 2) ACTIVITIES AT GMERS HOSPITAL

The Gotri Medical Education and Research Speciality Hospital has been looking into the needs of the people of Vadodara and surrounding villages on the western side of the city. It has been functioning since 2011 and has gradually increased their departments and area of medical services over the years. Hari Om Trust has been given an office on the first floor of the main building and has been attended by dedicated trustees and volunteers in their morning OPDs. The hospital is well stocked with the medicines but still under developed in their Pathology depts and other diagnostic tests like MRI, CT SCANS, etc. Hence the needs of the patients, as seen by the chart, for help differs from S.S.G Hospital:

Type of Help	No. of patients	Amount spent (in Lakhs)
Medicines	985	9.42
Pathology Tests	11450	10.67
MRI/CT Scans, USG	5401	19.05

Special type of machine used for Vacuum Dressings was needed at GMERS. This is a special type of dressings used by the Surgical and Orthopaedic Depts for big wounds that do not get healed easily. It is majorly used to collect the pus and dry the wound faster with its dressing materials. It was supplied by Hari Om Trust at the cost of Rs 4.56L.

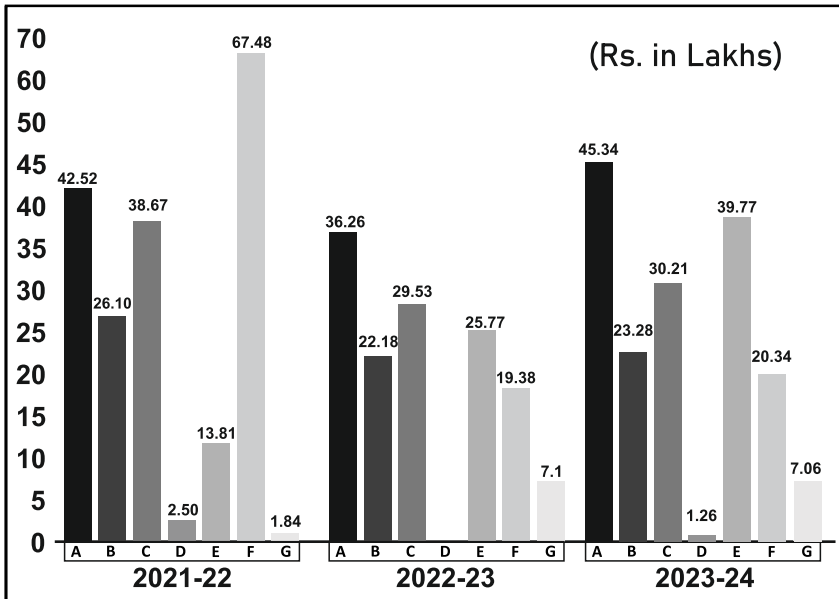

### **3) EDUCATION**

Education is again another field that Hari Om Trust has been supporting actively since many years. Many impoverished ,low income families with very bright children are supported by giving them monetary help. As the word is spreading more parents are coming over for help as they are unable to support the heavy tuition fees of their bright children. These children are helped from school education onwards till they complete their college education. This year 497 children were supported at the cost incurring of Rs 35.78 Lakhs.

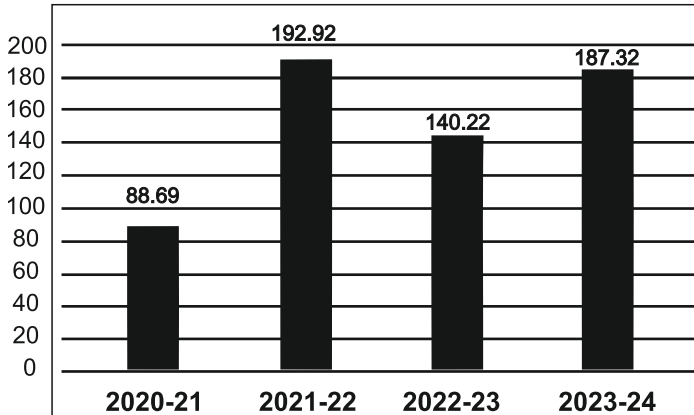

The selection and disbursement of help is conducted ably by Trustee Anshuman Shah and his wife Pravina at the premises of Vadil Parivar, Saimi Society. The selection and final cheques are given to the wards directly after being selected. We are grateful to Vadil Parivar society and their office bearers for giving us the assistance and space to conduct the whole process that takes about 4-5 days.

Hari Om Seva Trust also supports Anand Ashram activities towards educational help. 59 students were supported through them . Total cost spent was Rs 3.99 Lakhs.

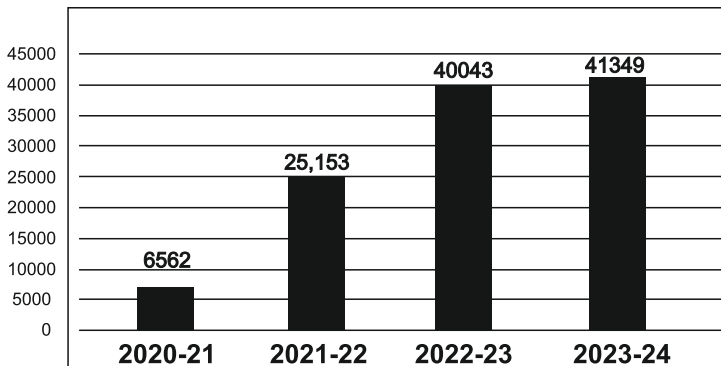

- A) ■ MEDICINE & CANCER CHEMO    B) ■ RADIOLOGY  
C) ■ LABORATORY                      D) ■ EYE CAMP  
E) ■ EDUCATION  
F) ■ ORTHOPEDIC SURGERIES  
G) ■ PRINTING, STATIONERY, COURIER, BANK CHARGES ETC

### Yearly Expenses incurred by Trust Rs in Lacs

### HOSPITAL PATIENTS

#### 4) OTHER ACTIVITIES

We are supporting a DIABETIC CARE UNIT run by Dr Ashok Gohil at Kevadia colony with monetary help. We are still continuing to help the poor tribal patients from around Kevadia and surrounding villages for their diabetic medicines and other needs.

The EYE CAMPS have started regularly in the villages and are being conducted through Divya Jyoti Eye Hospital, Mandvi, Surat dist. They are done by the team of Dr Uday Gajiwala. They are doing yeoman service to the old with their various eye issues. Hari Om Seva trust has supported 503 surgeries at the cost of Rs 1.26Lakhs.

Hari Om Seva has tied up with various private hospitals which have agreed to see patients, sent by the trust , at subsidised rates. These are for diagnostic tests that are not being done at the Govt hospitals and are needed for proper treatment. We are grateful to these hospitals and the Doctors who have agreed to help those patients at their lowest rates. Averagely 25-30 patients are sent daily to these various hospitals from S.S.G and GMERS hospitals and these numbers do not even reflect in our total patients seen yearly.

1. 2D Echo, TMT, Holter Monitoring for Cardiac patients is being done at Baroda Heart Hospital, TriColor Hospital and Bankers Heart Hospital. We are thankful to **Dr Baserge and Dr Darshan Banker** for providing these services
2. EEG, NCV,etc for Neurology patients, above the age of 16 years, is being done at VINS Hospital under the care of **Dr Mihir Acharya**. He has been giving these services at subsidised rates since many years. We are grateful for his philanthropic gesture.

**Dr Smruti Patel**, Advance Multi Speciality Hospitals sees patients below the age of 16 for their neurological tests. We extend our gratitude to her involvement and help.

3. **Dr Tushar Vaishnav and Dr Vikram Patel**, Muni Ashram help in Kidney related issues and DTPA Scans. Patients are charged very minimal amount as fixed by Hari Om trust with them.
4. **Dr Prashant Buch** has been doing subsidised Endoscopy and Colonoscopy for the patients directed to them by Hari Om Trust. We are thankful to him for his participation in our philanthropic activities.
5. Trance Ecofocal Eco Cardiology tests for heart and abdominal problems is done by **Dr Anand Ahuja** at Ridham Hospital. We thank him and extend our gratitude for the same.

Apart from the above help in diagnostic tests, the patients often has to go home with disposable Surgical Equipments for complete healing and relief from pain. Hari Om Seva Trust has started donating the following items to the patients at the lowest rates or often free too. Trust has spent Rs 1.85 Lakhs towards these equipments.

They are :

Stockings  
Stroma bags  
Spirometer  
T.T.Filter  
Foot Drop Splint

Taylor Braces  
Nebulizer Machine  
Catheters  
T.T. Tubes  
Ab Belts.

## **5) APPRECIATION LETTERS**

UNITED WAY has been supporting all the activities of Hari Om Seva Trust since many years. This year too they have supported our Hip and Knee replacement surgeries, Arthroscopies of the Shoulder and Knee joints, Soft tissues surgeries by providing monetary help to the needy patients. A letter of Appreciation (on Page 24) from the trust was sent to them and with the hope of continued support in future years.

PARUL UNIVERSITY gave an Excellence Service Award for outstanding work at S.S.G and invited the President and Secretary of the Trust to receive it. It was accepted by Mrs. Tinoo Chawla our Trustee. We are proud to be acknowledged for our selfless services from this esteemed University.

VISION TECH LTD sent a letter of gratitude and support to our activities at S.S.G and we are thankful for their appreciation.( on Page 26 ).

## **6) GRATEFUL: THANKS TO OUR ESTEEMED DONORS**

It is only through the continuous support of our Donors and their faith in our activities that has motivated us to do all the philanthropic activities. It is only due to our dedicated volunteers that this work has been carrying inspite of many external difficulties. Many new volunteers are joining in to keep the activities growing with the philosophy of selfless seva.

Our heartfelt Thanks to Late Shri Kamlesh Chainani who had been donating regularly year after year without even once visiting our premises to see it personally.

His passing away will be a great loss to our trust for his monetary help went a long way in healing many poor sick patients. We pray for his noble soul onwards for peace and enlightenment. We also hope that the practice of sending us yearly donations is carried on by his family and keep the noble work on.

We are also grateful to SHARE AND CARE FOUNDATION USA which has been helping in remitting the donations from the USA and being part of our activities.

M/S SUD CHEMIE INDIA P LTD, M/S MAGNETITE GLOBAL INDIA P LTD, and M/S STANDARD PESTICIDES P LTD have been donating to us regularly through their CSR programs. We are thankful for their continued support and help.

Various charitable Foundations have helped us achieve a new target in helping individuals. With rising material costs everything has got expensive and their monetary help has benefitted so many impoverished and sick people. We are grateful to M/S UNITED WAY OF BARODA, M/S LAL PATH LABS FOUNDATION, SHRI K K VITHLANI FOUNDATION, M/S HARGOVIND P LULLA FOUNDATION, SAMVEDNA FOUNDATION, UMMEED A HOPE FOUNDATION AND M/S MADHU CHAMPAKLAL CH. TRUST for their generous donations to the trust.

PARAMOUNT DIAGNOSTICS CENTRE, AMIN LAB, SAYAJI MEDICALS, UNITY MEDICALS, VISION TECH are the backbones of providing heavily subsidised diagnostic tests, pathology reports, medicines, surgical implants, etc. They are all actively involved in providing for the needs of the patients coming to both S.S.G and GMERS hospitals. We are grateful for their ongoing support and help and hope to continue the same in future.

Finally our Trustees SHRI RAJESHBHAI AND RANI AHUJA(President) and MRS TINOOBEN AND SHIVENDER CHAWLA have generously donations towards all the activities of the trust along with their active participating in seeing the growth of the trust. All the Trustees too have donated freely and helped the trust in managing its philanthropic activities (Donors List).

Lastly, Service to Humanity is Service to God. All our trustees, volunteers, donors and associated bodies are giving their time, energy and money selflessly to keep up this noble work. It is only due to their dedication and faith, the trust has grown from strength to strength. My heartfelt gratitude and thankfulness to all of them for helping this noble activities to grow and giving relief to the sick, impoverished and needy individuals of our society.

THANK YOU

J.G.BABANI

(Mg. Secretary)

HARI OM SEVA TRUST

## **My Great Experience at Hari Om Seva Trust**

### **Trustee - Prakash Patankar**

#### **Long live Hari Om Seva Trust**

Years ago, Rajesh Ahuja, a personal friend, took me to the Manjusar industrial area to show me a site on which he was planning to build a large food processing factory. On our way back he offered to take me to SSG hospital to show the work being done by Hari Om Seva Trust of which he was the President. At my age when our children tell us to enjoy life at home and not take unnecessary risks, I saw the trust volunteers, all of them well past senior citizenship, putting themselves on the line and providing assistance to the poor and needy patients. This included a volunteer personally taking an old lady around on a wheel chair. I was truly inspired.

And this is how I ended up meeting Suresh bhai Shah, a stern guru like figure, at GMERS Hospital Gotri one morning, wanting to become a volunteer. It was amusing to realise that at 70, I was the youngest of the volunteers that included some inspiring characters. And this is how I ended up being a part of the trust 3 days a week at GMERS.

When the Government of India imposed a nationwide Corona lockdown on 24<sup>th</sup> March 2020, the trust service had to be stopped because our volunteers were not permitted to come to the hospital. This created a peculiar situation where the need to serve patients was even greater and the donor money was available but the service could not be delivered.

A chance meeting with a young CA, Vinit Shah, planted an idea in my mind that why not we attempt to deliver the trust service remotely using information technology. When a rough-cut idea was presented to the trust seniors, the reaction was one of incredulity and rightly so.

However, Rajesh bhai continued to provide encouragement and after several trial runs in June & July, the trustees and the hospital administrations gave a green signal and full-fledged service was restored online from August 2020.

Paramount Diagnostics, our partners for pathology and radiology tests and their technicians played a notable role in making this possible. Thus, Hari Om Seva Trust was able to deliver on its commitment to patients even during the entire difficult Corona epidemic period.

Over these many years I thoroughly enjoyed doing the work at GMERS and it was truly with a heavy heart that I said good bye to the trust in September last year as I had decided to shift to Bangalore permanently to be closer to my son who runs a software business there.

I do often remember the volunteers, the truly inspiring larger than life characters, like Babani sir who is on call 24 hours, Ramesh Patel who has almost no vision but came to Gotri hospital every morning on his own taking public transport, Mahesh Trivedi when he walked in happiness & cheer walked in too, Suresh Shah the kindly but very methodical boss who treated all of us to a cup of tea every morning and the energy of Anshuman Shah.

Most mornings I still miss the camaraderie of my colleagues, the smells, the sights, and the sounds of patients at our office at GMERS, that is how life is, I guess.

My best wishes are with all those who make Hari Om Seva Trust possible. May their tribe grow.

**Prakash Patankar,**  
**Bangalore**

### Your philanthropy helps us

To all those that have contributed towards helping so many people, we are in great debt of you and your dedication towards this trust. Through your donation we have been able to accomplish so much and continue working towards helping all those in need. You truly make the difference for us, and we are extremely grateful Thank you so much.

**Annual Report: Gratitude for Support in Orthopaedic Surgeries**

Dear Sirs,

As We present this annual report on behalf of Hariom Seva Trust, we express our profound gratitude for the invaluable contributions that have enabled us to advance our mission of providing essential medical care to those in need. Your unwavering support, generosity, and dedication have made a significant impact on the lives of individuals and families in our community.

We extend our heartfelt appreciation to the United Way of Baroda for their generous donation of 15 lac towards orthopaedic surgeries. This crucial support has been instrumental in allowing us to offer a range of orthopaedic procedures, including Total Hip Replacement, Total Knee Replacement, Arthroscopy of Knee and Shoulder Joints, Soft Tissue Reconstructive Surgeries, and Ilizarov-like Deformity Corrective Surgeries.

It is especially noteworthy that our efforts have greatly benefited patients who lack Ayushyaman cards, BPL cards, or senior citizen status. Regardless of their socioeconomic status or access to government assistance programs, these individuals have been able to receive the urgent medical care they need, thanks to your support.

Through your kindness and compassion, we have been able to alleviate physical pain, restore mobility, and renew hope for those facing challenging circumstances. The impact of your support extends far beyond the medical procedures performed within our clinic walls. Your generosity has inspired others to join us in our mission and has fostered a spirit of inclusivity and compassion throughout our community.

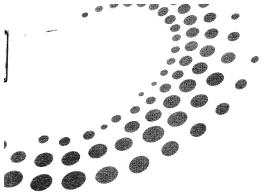

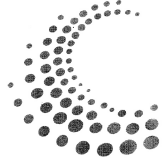

As we look to the future, we are filled with gratitude for the opportunity to continue our partnership with the United Way of Baroda, who share our commitment to inclusive healthcare. Your partnership is a testament to the power of collaboration in creating meaningful and lasting change.

On behalf of everyone at Hariom Seva Trust, We extend our deepest thanks and appreciation for your continued support, generosity, and dedication. Together, we are making a tangible difference in the lives of those who need it most, and we look forward to the journey ahead as we continue to work towards a brighter tomorrow.

With warmest regards and deepest gratitude,

Rajesh Ahuja

Subject: Heartfelt Thanks for Your Compassionate Support

Dear HARI OM Seva Trust,

We are writing to express our deepest gratitude for the invaluable assistance your trust provides to poor and needy patients. Your unwavering commitment to extending a helping hand to those facing financial hardships during their medical journey is truly commendable. Your generosity and compassion have made a significant difference in the lives of countless individuals and families who would otherwise struggle to access essential healthcare services.

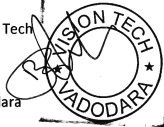

Through your support, you have not only alleviated the financial burden but also provided hope and comfort to those in needs. Your trust's dedication to serving the community reflects the highest ideals of kindness and solidarity. Your tireless efforts ensure that no one is left behind in their time of need, regardless of their economic circumstances.

On behalf of all the patients who have benefited from your generosity, I extend heartfelt thanks for your continued support and generosity. Your trust's contribution to Joint Replacement, Arthroscopy and Soft tissue Reconstruction Surgeries and improving healthcare accessibility and affordability is a beacon of light in challenging times.

With sincere appreciation,

Vision Tech
